

■ Holiday Concert 2007

The Division of Nephrology's Second Annual Holiday Concert 2007

Presented as a gift for Patients, Families and Friends

This year the Division of Nephrology joined Gifts of Art and performed a wonderful holiday concert in the lobby of the main hospital.

The performers were faculty, children of faculty and staff, patients, friends and members of Phi Mu Alpha Sinfonia from the University School of Music.

The performance was recorded and allowed to be broadcast on closed circuit TV twice a day for the entire holiday season. A DVD was also sent to all dialysis areas for patients and staff to view.
